Hydrologic Basins (Watersheds)
(8 Digit, NRCS 1994)

Note: This is a layer containing 8 digit hydrologic unit boundaries for the State of Arkansas from the Natural Resource Conservation Service (NRCS). This layer was received from the National Center for Resource Innovations (NCRI) in 1994, who derived the layer from United States Geological Survey (USGS) Digital Line Graphs.

This layer illustrates hydrologic unit boundaries for the State of Arkansas, and is intended as a basemap for state level analysis.

Projection: UTM
Zone: 15
Datum: NAD 83
Date: 03/24/02
